

Vehicle Donations Information on the Process

Have a car, truck, or motorcycle you'd like to donate to help the shelter animals? We'd love to have it! Please fill out the attached form and fax it to: 650-348-7891.

Once we receive you're information:

If you want to drop the vehicle off at PHS/SPCA, we'll call you to make an appointment for you to come by.

If you want it picked up by a tow truck, we'll forward your information to our specialized vendor who deals exclusively with donated cars. They will contact you to set up an appointment to pick up your car. This can usually take place within 24-48 hours of receipt of your information, or can be set for a specific date of your choosing, including Saturdays. (And yes, we do accept non-running vehicles.)

If you provide us with an email address, we will forward you instructions and the link for completing the California DMV Release of Liability online.

When the vehicle is turned over to us, you will receive your First Receipt which verifies that you donated it to us on that date. The vehicle will be sold at auction and when we receive the proceeds, we will mail you the Final Receipt, which can be used for tax deduction purposes.

All you need to do is provide the following information, have the title and keys available, and we'll do the rest!

Thanks for thinking of the shelter animals. They, and we, appreciate all that you do to help.

Warm regards,
Dana Troy
