

Vehicle Donations Information on the Process

Vehicle donations (cars, trucks, motorcycles, boats, etc.) are tax deductible and greatly help PHS/SPCA animals! We accept vehicles regardless of their ability to run and/or pass smog, and whether or not you still have the title. We handle all the paperwork, and take pride in making the whole process quick and easy for you. To get started, simply fill out the attached form. You can then provide the information in any of the following ways:

- Fax the form to 650-348-7891;
- Email the information from the form to dtroy@phs-sPCA.org; or
- Call 650-340-7022 ext. 389 to provide the information over the phone

After we receive your information you'll receive a call to coordinate the pick up or drop off. Towing can typically be scheduled for a window of time within a few days after we receive your information, or a date of your choosing.

When the vehicle is turned over to us you will receive your First Receipt, which verifies that you donated to us on that date. The vehicle will be sold at auction, and once we receive the proceeds we will mail you the Final Receipt for your records and tax purposes.

If you have any questions don't hesitate to contact me, and thank you for thinking of the animals!

Sincerely,

Dana Troy
