## SPONSOR A KENNEL...

You can “own” a piece of the shelter while helping PHS/SPCA animals find permanent, loving homes!

By sponsoring a kennel, you are helping shelter animals get what they need—medical attention, one-on-one work with our staff behaviorist, extra TLC, warm bedding, regular meals and lots of love. Along with knowing you are helping sustain a safe, comfortable haven for homeless animals, you can inscribe your personal kennel plaque any way you’d like. This is a wonderful naming opportunity for yourself or a chance to honor or memorialize a pet, relative or friend. Your sponsorship will remain on the kennel for one year. At the end of that year you will have the opportunity to renew.
