6:15pm -7:15pm**

**At the Peninsula Humane Society & SPCA

Puppy Playgroup is for pups under 6 months old that need socialization to build a good foundation for the future. Group provides off-leash, supervised playtime with a professional trainer to teach puppies how to play with other dogs. Puppies must be up-to-date in their vaccinations.

During playgroup owners will learn:

- how to recognize what appropriate vs. inappropriate play looks like
- how to recognize play growling from "I'm scared" growling
- how to help shy dogs build confidence and make friends
- how to react when your dog is doing something you don't like

Kick off your week with a fun hour of socialization for your puppy!

***Exposing your puppy to as many good interactions
with dogs and strangers is what this is all about!***

[\$12 per session or save with a six-week card for \$60]
